Kids Gondwana Nature Play

Looking for something different for the kids to do away from the screens? Come and join our Education Ranger for some really fun environmental games in this beautiful World Heritage Area. Give your children the chance to explore the natural world and learn through play and discovery under qualified supervision whilst you take a quiet walk or enjoy some timeout at the café. This special activity promises to re-engage your kids with the natural environment and be an unexpected highlight for the kids these holidays.
