

2 DAY WATERCOLOUR MIXED MEDIA WORKSHOP –

RUN BY – GAIL CARDOW

75 NEWRY ISLAND DRIVE URUNGA

9am to 4pm

11 & 12 January

This Workshop will take away the myth of being scared of water-colour, you will be able to splash it on freely to create a master piece with the use of different papers and mediums, so bring along any dry pieces that you would like to adhere to your work – lace, feathers, egg shells, leaves, sand & small stones, lace, rope, any jewellery items etc. Don't worry if there is a big spot of watercolour or something that is there that you don't like, we will be able to do something with it by using our bits and pieces.

I have plenty of different types of mediums in the shop that are great to use also.

Cost for 2 days - \$200

You will need 2 days for this Workshop to finish off your work and give it time to dry, I like to use 640gsm W/C paper as it will hold more water and mediums without buckling..
